

Fostering community partnerships promoting wellness and school success for youth and families, creating a community of lifelong learners that embraces diversity.

Myers-Wilkins Summer Volunteer

Volunteer with our elementary schoolers this summer! As a volunteer, you will support us in hosting a high-quality summer program for kids meant to increase their sense of belonging and engagement with their school.

The program will run on weekdays from **8:00-2:30, from Monday, July 11th through Friday, August 19th**. You do not need to attend for the whole length of the day – we will work with your schedule.

We need volunteers who can consistently attend the summer program at least one day week-to-week. This is important because volunteer presence is most beneficial to kids when they see the same volunteers every week and can build relationships with those volunteers. However, if you have differing availability and would like to volunteer, please reach out as there may still be opportunities in the program that fit with your schedule.

Volunteers are supervised by our Youth Development Coordinator at Myers-Wilkins.

Types of things we need volunteers for:

- Engaging with kids
- Supporting students during activities
- Handing out snacks and materials
- Taking photos of the program

Volunteer commitments:

- Show up in-person for the students weekly
- Follow COVID-19 safe procedure expectations
- Submit to a background check
- Personal commitment to anti-racism and the mission, goals, and philosophy of the Duluth Community School Collaborative

Given the high risk of exposure to COVID-19 working with kids during the pandemic, vaccination against COVID-19 is strongly recommended.

If you're interested in volunteering with us, please fill out the form linked under "Volunteer" on our page <https://www.duluthcsc.org/support>.

If you have questions about this or other volunteer opportunities, contact info@duluthcsc.org.
