

GOAL 1

Increase graduation rates, specifically for populations of people of color, SPED, and free/reduced lunch

- 1) *Recruitment and retention of DASH participants who fit these categories*
- 2) *Check and Connect Implementation at DASH*
- 3) *Increase accessibility of credit attainment options for students at risk of not graduating*

GOAL 2

Expand Family & Community Engagement

- 1) *Employ a youth leadership based community organizing model*
- 2) *Engagement of underrepresented families*

GOAL 3

Increase Health & Wellness Promotion for Students, Families, & Staff

- 1) *Provide expanded access to basic need provisions at Denfeld*
- 2) *Provide greater access to health care providers at Denfeld*
- 3) *Create a culture of wellness at Denfeld for all*

GOAL 4

Build a Denfeld Community Center Facility to Support FSCS Activities

- 1) *Become the hub for DYAC (Duluth Youth Agency Coalition) professional development and out of school time collective impact*
- 2) *Become the hub for community health activities in the West Duluth area*
- 3) *Engage neighbors & students in developing the concept & taking action*

These goals were created and agreed upon by the Denfeld FSCS Site Team in Fall/Winter 2018. The strategies and measurements are drafts based on site team input and coordinator leadership and will need to be finalized at future site team meetings.
