Myers-Wilkins Summer Activities Volunteer

Volunteer with kids during the summer at Myers-Wilkins Elementary School!

JUNE 16TH - JULY 25TH 2025

As a volunteer, you will support us in hosting a high-quality Summer program for kids meant to increase their sense of belonging and engagement with their school.

The program runs: Mondays thru Fridays (Field trips on Fridays) from Noon to 3pm.. We need volunteers who can consistently attend session days or one of the days weekly for the whole time. This is important because volunteer presence is most beneficial to kids when they see the same volunteers every week and can build relationships with those volunteers.

Volunteers are supervised by the Myers-Wilkins Youth Development Coordinator.

Types of things we need volunteers for:

- Engaging with kids
- Leading or Co-lead in your area of interest or expertise
- Supporting students during summer activities
- Supporting students during activity rotations
- Supporting staff at Myers-Wilkins

Volunteer commitments:

- Show up in-person for the students weekly
- Submit to a background check
- Personal commitment to anti-racism and the mission, goals, and philosophy of the Duluth Community School Collaborative
