

## Duluth Community School Collaborative

*Lots of volunteer opportunities are coming up.*

- **May 20th, Health fair at Denfeld and DASH BASH**
  - We are thinking 3:30-7pm
  - Help for this would include setting up, serving food, helping with childcare if needed, greeting people and tablers, and other things that may come up.
  
- **May 29th, is our 7th grade Farm to School Day at Lincoln Park Middle School put on by LP and Farm to School Coordinator Miss Renee.**
  - 815-1230, We need folks to help set up, we need a volunteer to be in charge of blowing the switching horn. Groups of students will be switching between 6 stations every 15-20 mins learning “all things” from farming, growing veggies and fruits, helping and learning about goats, learning about soils and even how to make maple syrup. Each station could use a helper.
  
- **May 21st, Is our big Bike Rodeo at Myers Wilkins from 5-7 Pm**
  - We need volunteers to help with greeting guests, general support to tablers and general help outside with kids and fun bike related activities. Assistance with our meal prep that evening would be great also. A clean up crew is always helpful as well.
  
- **May 28th, 2026 Is our Multi School Bike Rodeo with Denfeld High School, Laura Mac, and Piedmont schools - Held at Denfeld High School, West parking lot by the track and field area from 5:30-7:00 pm**
  - We need volunteers for the outdoor stations, the bike course and to just be a general helping hand to staff where needed.
  
- **Lastly, a HUGE Push for END of SCHOOL year Volunteers for Afterschool Clubs,**
  - College Kids leave before our ISD schools are done and we can always use extra hands at the end of April and all of MAY :) Reach out to me via email or send a text anytime 218-608-8945 if at all interested in helping or know anyone that would be interested. We are a fun group 😊

**THANKS EVERYONE -WE APPRECIATE EACH  
AND EVERY ONE OF YOU !!!!!!**
