We are looking for Support Mentors for our Middle Schoolers after school to help support our Program Development. Lincoln Park needs DEDICATED, CONSISTENT volunteers that can build relationships with our students, help them with their homework, create homework plans, and dedicate the same amount of time each week engaging strongly with our amazing students. We are looking for positive role models to help support our students in learning and with social emotional growth. By volunteering consistently you can help create routine and excitement for our students to come each day.

TIME - 3:20-5 pm

DAYS- Monday - Thursday (now until the end of the 2026 school year)

One day a week or however many you'd like is fine with us. It's more consistent hours than anything. Thank you so much for looking.
